Municipal Code Miniature Goat and Pot Bellied Pigs Regulations:

Sec. 25-101 Miniature Goat and Miniature Pot Bellied Pigs.

Property Owner Name: _____

Keeping of miniature goats or miniature pot bellied pigs shall be unlawful in any area unless all of the following conditions are met:

- A. Keeping of miniature goats or miniature pot bellied pigs is hereby declared to be an accessory use in the agricultural zoning, residential zoning, and public zoning districts, and in conjunction with residential uses and school uses as such uses are defined in Section 26-8-1. In all areas, keeping of miniature goats or miniature pot bellied pigs is only allowed as an accessory use subject to the conditions and restrictions of paragraph (b) of this section. Refer to Table 26A -Permitted Uses in Chapter 26 of the Lafayette Code of Ordinances for a list of the zoning districts where keeping of miniature goats or miniature pot bellied pigs is allowed.
- B. A miniature goats or miniature pot bellied pigs license must be approved by the Planning and Building Department. A nonrefundable application fee shall be submitted with the license application. City Council shall set the amount of such fee by resolution:
- C. Miniature goats and miniature pot bellied pigs are required to be located within a designated shelter and yard area that shall meet the following requirements
 - Neither the shelter nor yard area shall be located in that front 50% of any lot which is on the side that abutts a private or public street that provides principal access to or visibility
 - The shelter shall have a minimum five (5) feet setback from any side or rear property line. except as permitted in subsection 25-101(c)(vii).
 - The shelter shall be predator resistant with a solid covered roof. iii.
 - iv. Water shall be provided onsite and accessible to animals at all times.
 - The maximum shelter size is 100 square feet, except as permitted in subsection 25-V. 101(c)(vii).
 - The maximum height of a shelter shall be no more than seven (7) feet at the highest point vi. of the roof, except as permitted in subsection 25-101(c)(vii).
 - vii. Existing structures on a property as of December 1. 2016, that do not meet the setback requirement in Code subsection 25-101(c)(ii), exceed the maximum size requirement in Code subsection 25-101(c)(v), or exceed the maximum height in Code subsection 25-101(c)(vi) may be used as a shelter as long as the structure is located in the rear yard of the property and if said structure is approved as part of the miniature animal license.
 - Yard areas must be fully fenced and constructed to confine all animals onsite. viii.

D. Pot Bellied Pig

- Only one (1) miniature pot bellied pig shall be kept within or upon any parcel of land or i. dwelling unit within the City limits:
- Miniature pot bellied pigs over four (4) months of age must have current inoculation ii. against rabies and leptospirosis.
- Any male miniature pot bellied pig must be neutered or any female miniature pot bellied iii. pig must be spayed.
- ivi Any person owning or having charge, care, custody, or control of any miniature pot bellied pig shall be responsible for removing and cleaning up such pig feces on any public or private property:
